

The HP Way: How Bill Hewlett and I Built Our Company (Paperback)

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.
(Dr. Alexa Rogahn)

THE HP WAY: HOW BILL HEWLETT AND I BUILT OUR COMPANY (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers Inc, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Much more personal than standard corporate histories, David Packard s The HP Way provides insights into managing and motivating people and inspiration for would-be entrepreneurs. This bestselling classic joins the Collins Business Essentials line-up with a new Note from Steve Jobs. From a one-car-garage company to a multibillion-dollar industry, the rise of Hewlett-Packard is an extraordinary tale of vision, innovation and hard work. Conceived in 1939, Hewlett-Packard earned success not only as a result of its engineering know-how and cutting-edge product ideas, but also because of the unique management style it developed - a way of doing things called the HP way . Decades before today s creative management trends, Hewlett-Packard invented such strategies as walk-around management , flextime , and quality cycles . Always sensitive to the needs of its customers and responsive to employee input, Hewlett-Packard earned massive steady growth that far outshone its competitors vacillating fortunes, even with radically different products from those responsible for its initial boom. For entrepreneurs and managers alike, the wisdom found in these pages is invaluable if they want their businesses to gain steady growth and consistent success.
