Paperback. Condition: New. Guy Smalley (illustrator). 83 pages. A child who masters the fundamentals of entrepreneurship sets the foundation for his success; a community that fosters this education exponentially increases prosperity, freedom and peace for all. Jennifer Bouani Book 1 of the Future Business Leaders Series is Tyler and His Solve-a-matic Machine; a set of fiction adventure books that introduce pre-teens (ages 9-13) to the concepts of business and entrepreneurship. Tyler and His Solve-a-matic Machine is about an orphaned boy named Tyler who invents a machine to help him do his homework faster and creates a business to manufacture this machine. He must endure many tests set out for him by Sot, before he can officially become a successful business owner and realize his dream of sailing around the world. These tests are symbolic of obstacles encountered by adult entrepreneurs in the real world. It is set in the city of Nessibus, a metropolis, whose streets radiate with the energy of commerce. The true adventure begins when Tyler arrives at a high rise building. Each floor in the building takes the reader to another world where reality and imagination fuse. Tyler encounters many adult figures in the building who are portrayed as animals with traits characterizing their professions an octopus real-estate agent whos always on her cell phone, a monkey attorney who likes to be paid in bananas, and a polar bear CPA who knows his way through crunching numbers, to name a few. This story appeals to kids because it arouses their senses as the main characters perform adventurous tasks and solve challenging, play-on word riddles. The message crosses all geographic, gender, racial and socioeconomic lines by empowering kids to reach for their dreams while learning real life lessons. The lessons covered in the series can make all the difference...
