LOURDES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The first sign of our approach to Lourdes was a vast wooden cross, crowning a pointed hill. We had been travelling all day, through the August sunlight, humming along the straight French roads beneath the endless avenues; now across a rich plain, with the road banked on either side to avert the spring torrents from the Pyrenees; now again mounting and descending a sudden shoulder of hill. A few minutes ago we had passed into Tarbes, the cathedral city of the diocese in which Lourdes lies; and there, owing to a little accident, we had been obliged to halt, while the wheels of the car were lifted, with incredible ingenuity, from the deep gutter into which the chauffeur had, with the best intentions, steered them. It was here, in the black eyes, the dominant profiles, the bright colours, the absorbed childish interest of the crowd, in their comments, their laughter, their seriousness, and their accent, that the South showed itself almost unmixed. It was market-day in Tarbes; and when once more we were on our way, we still went slowly; passing, almost all the way into Lourdes itself, a long-drawn procession-carts and foot passengers, oxen, horses, dogs, and children-drawing nearer every minute toward that ring of solemn blue hills that barred the view to Spain.
