Waterbrook Press (A Division of Random House Inc), United States, 2009. Hardback. Condition: New. Language: English . Brand New Book. Cigar boxes. Refrigerator doors. Scrapbooks and sock drawers and top shelves. These are the places we store our treasures-the keepsakes that tell the story of whom and what we've loved, how we've lived, and what matters most to us. God is a collector, too, whose treasures are tucked securely into the pages of his book: a golden bell here, an olive leaf there, a scarlet thread, a blood-stained cloth, a few grains of barley. Each of these saved artifacts reveals a facet of his heart and tells the story of a Father whose most precious possession is us. In *Treasured*, Leigh McLeroy considers tangible reminders of God's active presence and guides us in discovering evidence in our own lives of his attentive love.
