Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On the Right Authority and Qualification for Religious Labor Peace and blessing ?ow from the exercise of the loving care which our discipline enjoins for fostering and guard ing the ministry - watching over one another for good discouraging forward spirits, yet encouraging the humble careful traveller - speaking a word in season to them that are weary bringing the church into sympathy with the religious labors of its members - and exercising a tender care for the preservation of unity in faith and practice, agreeably to the description which He, the ever blessed Shepherd, gave of his ?ock By this shall all men know that ye are my disciples, if ye have love one to another. In thus endeavoring to guard our members against departing from the true ground of right religious labor, and to caution them against sliding into a system of per formances where the will and wisdom of man are not subjected to the control of the Spirit of Christ, we desire that on the other hand, none may excuse themselves from those duties which are required of them by their Divine Master. The careless, indifferent, lukewarm professor, is not living in a state of acceptance with Him who looketh upon the heart. If the love of Christ bears rule within us, we will love our neighbor also; and selfishness and the desire for personal ease will become subject to the stronger feeling which impels to do good to all, as the Lord opens the way and directs.
