Little, Brown Book Group, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. At long last you are truly back with us . . . Zev Hunter was an elite warrior, a dark-blood dealer of death to rogue Lycans who preyed on mankind. He was a loner, never given to personal attachments, and damned fierce at his job. But Zev begins to question his past and his purpose when he awakens in the darkness of the sacred cave of warriors-and is soothed back to consciousness by the sensuously familiar voice of one woman, the woman who has haunted his fantasies for centuries: Branislava, member of the Dragonseeker clan. Mother Earth called the ancients to witness your rebirth . . . For this half-mage, half-Carpathian temptress, the ritual of awakening Zev to the council of warriors was the only way to save him. Locked away for his own protection, the time has now come for his rebirth, for his blood to stir with that of the ancient warriors before him. He has been assured by Branislava that their fates are entwined, that their spirits are woven together for eternity and that his new purpose in life is beyond imagining. Now, with a blood-sworn vow of honor, mercy and endurance, and under the influence of a siren as bewitching as Branislava, Zev begins to wonder what his purpose is, what it means for the future of the Carpathians and what it is about his rebirth that he has to fear . . . After Bram Stoker, Anne Rice and Joss Whedon, Christine Feehan is the person most credited with popularizing the neck gripper. Time Feehan has a knack for bringing vampiric Carpathians to vivid, virile life in her Dark Carpathian novels. Publishers Weekly.
