Dinosaur Cove: March of the Armoured Beasts (Mixed media product)

By Rex Stone

Oxford University Press, United Kingdom, 2013. Mixed media product. Condition: New. Reissue. Language: English . Brand New Book. Welcome to the Cretaceous! It's a pretty cool place, in a prehistoric hot and humid kind of way! Jamie and Tom have followed the fossilized footprints and discovered a secret dinosaur world. There's so much to see and do in the Cretaceous, and with their little dinosaur friend, Wanna, the boys set off to explore. But they're stopped in their tracks when they find a baby ankylosaurus stuck in the mud. It looks like it's about to go under and the boys know they can't just leave it. But how do you pull a dinosaur out of a muddy swamp? Especially when the baby's mother has just arrived and is not too happy to see the boys! This is the third book in the hugely popular Dinosaur Cove series which has now sold over a million copies. This new edition includes a set of Cretaceous collector cards.

Reviews

I actually started looking over this publication. It really is really interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You won't really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
