This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

For by these He has granted to us His precious and magnificent promises, so that by them you may become partakers of the divine nature. 2 Peter 1:4 In Jesus we have the promise of an awesome inheritance. If we have the faith and desire to enter into our inheritance, we can become partakers of the divine nature of Christ. His character and love can be formed within us, changing us and redefining who we are. However, having an inheritance is of no value to us unless we possess and experience the reality of it. So how do we partake of the divine nature? How is the nature of Christ formed in us? Will we give ourselves to knowing the reality of His nature and life within us? In this study series, the first few studies serve to review and extend the key aspects of Series One. We discover how the Spirit opens our eyes to the spiritual dimensions of the word and leads us into reality by giving us revelation. We then focus on becoming one with Christ as we look at the Passover and the Last Supper. Finally, the last studies focus on the Tabernacle and provide an overall summary for the studies in Series One and Series Two. May you find blessing and life as you discover your call to be one with Christ.
