Liferich, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. From missing chemicals worth millions to a man chosen by the company president, Into the Air stands as a shocking scientific detective story. Was it the chance of a lifetime? Or was it a trap? Ignoring the shadows of a high-stakes game of deception, a talented engineer tries to play it straight as a series of events lead him through every aspect of a polymer industry, from raw materials to finished products. He is stunned by the human cost of the business to which he has committed his life. Will it be fight or flight in the corporate jungle?.
