By Cecelia Ruth McLaughlin

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Our Daily Weird: Quirky Observations in Recovery, is my offbeat devotional book geared toward people struggling with addiction or alcoholism. Some of it is irreverent, some funny, some disturbing. Topics address isolation, fear, selfishness, peace, and insanity. The concepts are illustrated by a host of odd thoughts on anything from vampires to mother's kisses. Each page is put in a colorful frame of stories about childhood memories, mythological characters, more. While the subject is serious, the strange and absurd stories have been the most helpful to me. Laughing at the mirror has been a huge part of my healing, and I want to share that with others.

### Reviews

*This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again and again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.*
