## C PROGRAMMING IN EASY STEPS (PAPERBACK)

In Easy Steps Limited, United Kingdom, 2011. Paperback. Condition: New. 4th edition. Language: English . Brand New Book. C++ Programming in Easy Steps instructs you how to program in the powerful C++ language, giving complete examples that illustrate each aspect. C++ Programming in Easy Steps begins by explaining how to download and install a free C++ compiler so you can quickly begin to create your own executable programs by copying the book s examples. It demonstrates all the C++ language basics before moving on to provide examples of Object Oriented Programming. The book concludes by demonstrating how you can use your acquired knowledge to create programs graphically in the free Microsoft Visual C++ Express Integrated Development Environment (IDE). C++ Programming in Easy Steps makes no assumption you have previous knowledge of any programming language so it s ideal for the newcomer to computer programming. It has an easy-to-follow style that will appeal to programmers moving from another programming language, and to the student who is studying C++ programming at school or college, and to those seeking a career in computing who need a fundamental understanding of object oriented programming.
