White Falcon Self Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is the Second edition of a popular practical book on Low Level Laser Therapy dedicated to a technical skills development framework for all practitioners of medicine, sports, spas and cam. It releases new aspects of photo medicine in its support to gene therapy, lymphatics, sports and systemic diseases. It shows a segment of invention dedicated to treating malignancy also. The lymphatic section can support the prevention of diseases as breast cancer and correction post cancer. This is Everyman s book. It is written in collaboration with Jan Tuner, who is a world famous editor, author and leader in this scientific field. The book covers keynotes of Influencers and scientific leaders as Tiina Karu, Michael Hamblin, Pekka pontinen, Oshiro, Nogier and Michael Weber. This book is an illustrated guide for optimized therapeutic response with controlled SOAP. It also shows the futuristic and absolute recovery potential of systemic disease, without drugs, which makes it a possible hope for the future of medicine. The interior of this book provides technical and illustrated data on stages of therapy, anatomical approach, complementary and alternative sciences for plan of care. The book shows range in process and therapies, and covers pain management, sports rehabilitation, acupuncture, lymphatic drainage and reconstruction and even intravenous laser. It covers all verified clinical and approved knowledge on acupuncture points undergoing in-nervation by laser. It covers reinforcement strategies through auricular master points and embryonic zones. It also shows rare aspects of physical rehabilitation through positional release and reciprocal inhibition. The book maintains a parallel commentary which is the best support from the editor and his scientific network. This merges with the technical mapping of significant information for powerful and successful therapy....
