Financial crisis. the people should be how to do? Consumption. as we are ordinary people. the key is to live within our means. Work should cherish labor jobs. employment. livelihood security. Financial aspects. bold but cautious to seize the opportunity. contains vigor in crisis. Emotional aspects. learn tolerance. mutual understanding. love to defuse the crisis. When we panic a potential threat to the financial crisis. meant this you have no part in the smoke of war. whether you're willing or not. Have to go to face the cruel reality brought: How do you improve ourselves? How do you get rid of the confusion brought about in reality? How do you ensure that mental health does not hurt? You how to make your family life is not affected? Your monthly income reduced to a reasonable consumer? How your assets seriously diminished financial planning. financial success? How can you let the insurance during the economic downturn better serve us . these. All we must be concerned about. if we are to find a common name for these factors must know. Well. they can only be called the rules of survival under the rules of survival in the financial crisis. Executive Summary financial crisis under the 100 rules of survival with a popular and practical method to...
