

## Footloose and Financially Free A guide to thinking and feeling your way to success

By Julie K Macken

Macmillionaire. Paperback. Condition: New. 240 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. When Julie Macken achieved financial freedom and quit her job in 2001, she felt happy and prosperous. But she wondered why more people weren't thriving financially. Having discovered that making money does not need to involve hard work, she wanted to share her knowledge. Some people wanted to copy Julie, assuming that if they duplicated her action as an investor that they would achieve the same results. But Julie knew that the path to financial freedom, or any form of success, is primarily an emotional journey. Before she began investing, Julie studied wealthy people and developed an understanding of how they think. Success is a personal thing and it comes in many guises. For Julie it is predominately about fun, freedom, love and motion forward. Some think they will become happier when they have more money but Julie believes that the attainment of our dreams is not the real prize. The true reward comes from our life experience along the way. Our achievements are not as important as who we become as a result of the journey. Although written by a property investor, this book is much more about...
