St Martin s Press, United States, 2005. Hardback. Condition: New. Language: English . Brand New Book. Current research suggests there is a large group of people who have been trying to change men. Normally, changing a man has certain obstacles, including, but not limited to, the fact that it is impossible. But Cameron is able to overcome this hindrance because he, himself, has been remodeled. In a move so bold it may be shocking to people unaccustomed to such personal courage, Cameron turned himself over to the women in his life and asked them to change him. It started with a list of his flaws (Cameron came up with four; the women came up with one hundred seventy eight) and ended...
