Little, Brown Book Group, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. To London society, the Inferno Club is notorious for its scandalous pursuits. In private, these warriors would risk their lives for king and country. Sebastian, Viscount Beauchamp, lives by a code of honour, and now honour dictates he must marry Miss Carissa Portland. He has no regrets over stealing a kiss from her - a fitting punishment for putting her delectable nose where it didn't belong. But now, caught in a compromising situation, he knows he must make her his bride. Carissa is not a gossip - she's a lady of information. But even she can't flaunt Society, and while her head tells her that Beau's a notorious scoundrel, her heart - and her body - are captivated by his dangerous charm. But when Carissa next goes snooping, the secrets she uncovers about the Inferno Club may prove even more hazardous than falling in love with your own husband. The fifth novel in a sumptuous new romance series by New York Times bestselling author Gaelen Foley will make you blush with delight.
