CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 508 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. During the time of Mille 19 S. F., humanity's war-torn population is scarce, and underprivileged children are given to the military to be raised as soldiers. Bio-Tech Military Corporation elite fighters, Aria and Troy, are sent to investigate a base devastated by alien attack. Growing up in constant battle, they quickly discover fighting against humans is one thing; fighting against monsters is a whole different challenge. Are these creatures actually what they appear to be? Where did they come from, and what do they want? While searching for answers, Aria and Troy's home base is destroyed by a mysterious man named Euclid. Their pursuit for answers leads to the foreign land of Ives, home of an extinct, angelic race. In the ruins, Aria and Troy meet Doviana, slightly mad and self-proclaimed Sorcean and Ivory, a young, beautiful amnesiac who has no understanding of her world, where she came from, or who she is. Immediately, there is an unexplainable connection between Ivory and Doviana, and as the attacks increase, Aria and Troy, for the first time in their lives, fear evil and the death that surrounds it. Together they must travel to the city-states around the world to solve the mysteries of the monsters and Euclid. Is he the one pulling all the strings, or is there another force at play in this intricate, esoteric design? *The Esoteric Design* is a novel that crosses over multiple genres: Sci-Fi, Fantasy, Action, Adventure, Horror, and Romance. Coupled with illustrations in every chapter and an additional section with character biographies, bestiary, weapons, and more, *The Esoteric Design* is bound to have something for everyone. This item ships from La Vergne, TN. Paperback.
