Parenting Without the Power Struggles (Paperback)

By Foster Cline

NavPress Publishing Group, United States, 2013. Paperback.

Condition: New. Language: English . Brand New Book. Through the miracle of birth, parents are given a tiny, defenseless babe totally dependent on them for every physical need. They have a mere eighteen years at most to ready that suckling for a world that can be cruel and heartless. That child's success in the real world hinges in large part on the parents. Just thinking about raising responsible, well-rounded kids sends a sobering shiver of responsibility right up the old parental spine. But all is not so bleak. There's hope, shining beacon-bright, at the end of the tunnel of parental frustration. Parenting doesn't have to be drudgery. Children can grow to be thinking, responsible adults. This booklet, excerpted and adapted from the best-selling Parenting with Love and Logic, was designed to help parents and kids establish a rewarding relationship built on love and trust. What a deal! By parenting with Love and Logic, mothers and fathers can do away with the power struggles and put the fun back into parenting.
