Informed Consent: Critical Truths Essential to Your Health and to the Health of Future Generations (Paperback)

By Michele Stanford

Author Academy Elite, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Once you know truth, you can't un-know it. Once you know truth, you have a moral obligation and a moral imperative to apply and to share that truth; there is a responsibility associated with it. With this premise in mind, Michele Stanford set out to share the truths she learned on her journey to recovering her health. What she learned was shocking. As a nation, we're getting sicker and sicker. Have you ever paused to consider why this is happening? After all, medical science is making great advancements, and new drugs and treatments are being discovered all the time. So here's the question. With all the trillions of dollars being spent on healthcare, why are we in a healthcare crisis? Michele has dug deep to uncover some disturbing truths. Informed Consent explores the harsh realities surrounding our food supply and our medical system. Prepare to discover a side of the pharmaceutical industry you weren't aware existed, along with a startling explanation of why and how our food supply has become contaminated. In short, Michele has the answers to...

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that I am sure that I will go on to read once more again later on. I found out this book from my dad and suggested this book to find out.
-- Alford McClure

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after I finished reading this pdf where in fact modified me, alter the way I believe.
