THE INSANITY CLAUSE: A QUANTUM LOVE STORY (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Insanity clause offers a thrill-ride with a love story, musically crafted in and out of the mysterious doorways into the quantum world. A devoted uncle asks his nephew, a guitarist (with a Robin Hoodesque larceny penchant) to join him in a mastermind scheme to escape a lifetime employment contract - the acorn codicil . Lives get nutty from there. Millions of dollars, as well as humankind's next giant leap, wait behind the heist. While one man learns how to grow up and face the very word love , another pursues it in an affair that even the universe dare not separate. The tale's tone pays tribute to Stephen King in one breath and Octavia Butler the next-flavoring a lovechild of a page-turner. Inside is where science leads us along a spine tingling chase, to places where love is a bond that transcends both time and space.
