Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Some of the scariest, strangest and unusual cases of haunted houses, paranormal and supernatural places, and ghost stories in the World! Do you know what lies behind every door? There are certain buildings which can be unsettling, disturbing, and downright terrifying. Even in seemingly normal homes, the strange and mysterious can help to create a sense of unease and ill-feeling. But there are certain buildings which scream strangeness from every surface. A coldness, an eerie atmosphere, or even the half caught sight of something moving in the corner of your vision. Some homes breathe paranormal activity and can leave you scared before you've even stepped over the threshold. In this book, we will look at some of the world's most haunted homes, buildings, and places. They are scattered across the world, proving that the unexplained and the terrifying can cross borders and is not restricted to one particular location or culture. We will look at homes, hospitals, boats, and government buildings, all of which contain a history of dark acts. There's nothing to say what might cause a place to become haunted, but there are certain similarities that we can trace from location to location. Murder, slaughter, torture, and all other forms of gruesome acts serve to leave an imprint. When you walk into these rooms, you can sense the evil deeds that took place. The hairs on the back of your neck might prickle, the skin on your arms crawl, as you step onto the spot where someone was butchered hundreds of years ago. Often, these events are unexplainable. But in this book, we will attempt to gather the stories together and illustrate the reality...
