Classroom in a Book offers what no other book or training program does—hands-on training materials developed by the software training experts at Adobe Systems, and then tested and refined in Adobe's own classrooms and labs. Classroom in a Book is self-paced, so you can learn Adobe After Effects wherever and whenever you choose, in whatever time you have available. You'll be up and running faster—and more efficiently—than you would with other approaches to software productivity. The files on the cross-platform CD were created specifically for Classroom in a Book. You'll use these files to work through the lessons. The book's illustrations and text will guide you to the results you'll see on your screen. With the Classroom in a Book approach, you learn the most effective way possible—by doing it yourself! 334 pp. Deutsch.

### Reviews

*It is one of the most popular publication. It really is written in easy words and not difficult to understand. You are going to like how the author writes this book.*

-- Prof. Evans Balistreri DDS

*Completely essential go through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Lydia Legros
