Createspace, United States, 2013. Book. Condition: New. Revised. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Hypnotism is a SKILL not a gift. YOU can learn to be a confident, super-fast hypnotist by reading this book. If you want to learn instant hypnosis, i.e. methods to hypnotise family, friends and strangers that can take as little as 1-second to accomplish (seriously, it can be THAT quick!) then act now and snatch up this how-to manual (complete with pictures to help you along the way). When you go to see a Hypnotherapist, they often use slow, progressive hypnosis methods - this is not what the book is about. THIS book is about INSTANT, RAPID, FAST, BLINK-OF-AN-EYE SPEED HYPNOSIS. The cool stuff. Guiding you from basic safety precautions all the way through to advanced speed-hypnosis inductions, Rory Z gives you all you need to know to begin practicing hypnosis either for fun with your mates, as a roving street hypnotist or as a professional stage-hypnotist. This book is also a very useful tool for the aspiring Hypnotherapist, looking to learn a plethora of new, quick inductions to allow your clients to achieve amazing depth of trance in a fraction of the time. All of the methods within are tried, tested and verified - i.e. they all work! This book cuts away all of the linguistic mumbo-jumbo, dispels all the myths and gets down to cold hard facts, straight away. If you want to be confused and bogged down with unnecessary information - this book is NOT for you. If you want to quickly learn how to hypnotise with skill and confidence - this is the book that you need to add to your collection today.
