Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Insanity clause offers a thrill-ride with a love story, musically crafted in and out of the mysterious doorways into the quantum world. A devoted uncle asks his nephew, a guitarist (with a Robin Hoodesque larceny penchant) to join him in a mastermind scheme to escape a lifetime employment contract - the acorn codicil . Lives get nutty from there. Millions of dollars, as well as humankind s next giant leap, wait behind the heist. While one man learns how to grow up and face the very word love , another pursues it in an affair that even the universe dare not separate. The tale s tone pays tribute to Stephen King in one breath and Octavia Butler the next-flavoring a lovechild of a page-turner. Inside is where science leads us along a spine tingling chase, to places where love is a bond that transcends both time and space.
