Oxford University Press. Paperback. Condition: new. BRAND NEW, Modern China: A Very Short Introduction (2nd Revised edition), Rana Mitter, China today is never out of the news: from international finance to human rights controversies, global coverage of its rising international presence, and the Chinese 'economic miracle'. It seems to be a country of contradictions: a peasant society with some of the world's most futuristic cities, heir to an ancient civilization that is still trying to find a modern identity. This Very Short Introduction offers the reader an entry to understanding the world's most populous nation, giving an integrated picture of modern Chinese society, culture, economy, politics, and art. In this new edition, Rana Mitter addresses China's current global position, accounting for the country's growth in global significance over the past decade. **ABOUT THE SERIES:** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area.
