## Managerial Economics in a Global Economy (Hardback)

By Dominick Salvatore

Oxford University Press Inc, United States, 2011. Hardback.  
Condition: New. 7th Revised edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Reflecting the highly globalized nature of tastes, production, labor markets, and financial markets in today's world, Managerial Economics in a Global Economy, Seventh Edition, is ideal for undergraduate and MBA courses in managerial economics. Thoroughly adopting a global perspective, it synthesizes economic theory, decision science, and business administration studies, examining how they interact as a firm strives to reach optimal profitability and efficiency in the face of modern constraints. FEATURES: \* Integrates examples, data, and theories on the international ramifications of managerial decisions into the entire text, rather than segregating the material in a separate chapter \* Demonstrates how firms actually reach managerial decisions with 122 real-world case studies and 11 more extensive integrating studies, along with additional case studies and applications on the Companion Website \* Prominently features those tools of decision making, such as spreadsheet applications, that are so in demand by students \* Introduces many new and exciting topics, including firm architecture, firm governance, and business ethics;...

### Reviews

*Thorough manual for ebook fans. it had been written quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Dr. Catherine Wehner

*Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be the finest book for ever.*
