

## Minor Injuries: A Clinical Guide (Paperback)

---

By Dennis Purcell

Elsevier Health Sciences, United Kingdom, 2016. Paperback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. The latest edition of this popular textbook continues to offer accessible, practical and clinically relevant information on the management of minor injuries. Reflecting the author's long experience as a practitioner and teacher, the volume covers anatomy, examination and specific injuries in the depth that the specialty requires. Injuries to all parts of the body are included. Richly illustrated throughout - with many original images based on the author's own designs - the volume is also accompanied by online videos where the author demonstrates the limb examinations which are described in the text. The new edition has expanded to survey the law and the basic principles for X-ray requesting and interpretation in minor injury areas. The volume also offers more detailed guidance on the specific X-rays which are required for each of the limb joints. This material is intended to satisfy the legal training requirements for new practitioners to request X-rays as non-medical referrers. Fully updated to include the latest guidelines and current practice on minor injuries of every kind, the third edition now offers a more comprehensive structure for the...
