Excerpt from The Works of Thomas Love Peacock, Vol. 1 of 3: Including His Novels, Poems, Fugitive Pieces, Criticisms, Etc N the sixty-seventh volume of the Standard Novels published in 1837 were re-printed the tales of Headlong Hall, Nightmare Abbey, Maid Marian, and Crotchet Castle. To this collection Peacock wrote a preface, characteristic of his Opinions at that time. This preface was as follows: All these little publications appeared originally without prefaces. I left them to speak for themselves 3 and I thought I might very fitly preserve my Own impersonality, having never intruded on the personality of others, nor taken any liberties but with public conduct and public opinions. But an Old friend assures me, that to publish a book without a preface is like entering a drawing-room without making a bow. In deference to this Opinion, though I am not quite clear Of its soundness, I make my prefatory bow at this eleventh hour.
