Kensington Publishing Corporation, 2017. Hardback. Condition: New. Language: English . Brand New Book. From the international bestselling author of *The Bones of You* comes a haunting and heartbreakin new psychological thriller about the distorted nature of reality, the unreliability of memory, and the enduring power of a mother s love. A blighted memory. A child who seems never to have existed. A watcher in the shadows. When they find Evie Sherman, battered and left for dead in a maize field, the young woman has no recollection of who she is. After three days in a hospital bed, the fog in her head begins to lift, and she remembers two names: her own, and that of her three-year-old daughter, Angel. Evie is convinced that Angel is in grave danger. But the police can find no evidence of the girl s existence. It s clear that Evie is having some kind of mental breakdown--or is it? Even in the depths of her amnesiac darkness, Evie knows her daughter s voice, her chameleon eyes, every precious hair on her head. So how can she be losing her mind? As Evie s grasp on reality slips away, she finds herself haunted by the same three-word warning, which she hears over and over: Trust no one. But whom is she being warned against? The police? The doctors and nurses? Or the mysterious figure who s been watching her, who knows all her secrets, has a hidden agenda--and perhaps their own twisted version of reality. Praise for the novels of Debbie Howells A terrific new talent. --New York Times bestselling author Peter James An intriguing dark psychological thriller--truly brilliant! --Lisa Jackson Has been compared to Alice Sebold s *The Lovely Bones*.
