The truth of a Higher Power is the most amazing fact in heaven and on earth! It's a phenomenon that is an overwhelmingly life changing experience. This unseen power has the force to rush in and breathe new life into your spirit, yet it can enter with a slow, progressive pace and provide you with a peace that can't come from any other source. It can refresh your soul and remedy the problems of doubt, fear, hate and moral defeat, and weakness. God Almighty is the Higher Power and will bring health, happiness, and goodness, but mostly love. But how can a person have faith in God when they know very little about Him? We need to see God as the Higher Power who desires our collaboration and who will look to us as His people; as partners in the development of a better world. If a nation or group of people advance into the technological age feeling helpless in the presence of poverty, disease, and autocracy they will soon bow their heads in resignation and give up on themselves and God. But if a true understanding of God is pursued, attained, and supported by earthly authorities, hope will once again rule the day in hearts and minds. This book can be used in a group or individual study and help you to intentionally weave God's instructions into your daily walk as you learn, understand, and draw strength from the Higher Power!.
