paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2012-03-01 Pages: 221 Publisher: China Railway Press title: chip microcomputer and interface technology (materials) List Price: \$ 29.00 Author: JOHN TSE ed Press: China Railway Press Publication Date :2012-3-1 ISBN: 9787113142667 Words: 348.000 yards: 221 Edition: 1 Binding: Paperback: 16 Weight: Editor's Choice SUMMARY The book is based on 51 core. the integration of a variety of new single-chip combination Editor years of teaching and research experience. systematic and comprehensive introduction to the basic concepts of SCM application system. structure. hardware and software design methodology and associated development tools. More focused on interface technologies. the reader with a deeper understanding of the application of the interface can be selected according to different application needs a different interface for application development. Through book learning. you can help the reader master the basic knowledge of microcomputer application system from the system's point of view. master SCM application system development. with the development of microcomputer application system design skills. The book is suitable as colleges computer. electronics. electrical. communication and control the related materials can also be embedded engineers for IT companies developed as a single-chip Reference Manual. Contents Chapter 1 Overview 1.1 single-chip microcontroller 1.2 SCM system 1.3 1.5 understanding of some basic concepts 1.4 interface data transfer mode interface brief summary Exercises Chapter 2 5P core microcontroller 2.1 MCS51 MCU 2.2 ATMEL 89 series microcontroller 2.3 brief summary Exercises Chapter 3 of the new 51 core microcontroller development of microcomputer software development environment 3.1 software development environment based basic requirements of 3.2 configuration 3.3.4 software development environment 3.3 Keil u Vision4 of 51 MCU several popular Integrated Development Environment 3.3.1 Installation and startup 3.3.2 project management 3.3.3 project compile...
