

Pain Review (Paperback)

By Steven Waldman

Elsevier - Health Sciences Division, United States, 2016. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Dr. Steven Waldman, a noted authority in the multidisciplinary field of pain management, has assembled an excellent study guide for certifying or recertifying in pain management. A keyword-oriented review of the specialty, it offers the consistent approach and editorial style that make Dr. Waldman's books and atlases some of the most widely read in the field. An easy-access, templated approach helps you to access desired information quickly, and clear illustrations make difficult concepts easier to understand. Covering an exhaustive list of known and defined pain syndromes classified by body region, this is the one must-have book for anyone preparing for examinations. Expert Consult functionality allows you to access the entire contents of the book from any Internet connection. Provides the reader with clearly written review of the signs, symptoms and physical findings of 95 defined pain syndromes classified by body region. Presents an easy-to-follow, generously illustrated, step-by-step roadmap of how to perform 113 individual nerve blocks and injection techniques, as well as a review of associated pitfalls and complications. Follows an easy-to-read templated format throughout for quick mastery and retrieval of...
