Every student wants to know; every student tries to discover his/her own strategies to succeed - some work, some don't. Becoming successful in university sometimes feels like trial and error - with potentially serious consequences for failures. The goal of this guide - **Your Guide to Succeed in University** - is to help students in university and college to become confident, well-rounded and successful in their overall education experience. This guide aims to equip you - the students - with the necessary tools for success in university and college. This guide will help students with topics such as building a solid foundation in the first few weeks, efficient techniques for studying and preparing for exams, getting involved, finding the right mentors, networking, job searching with potential employers and preparing for a successful career. --- Extended description Do you ever wonder why most alumni or adults say, University was the best years of my life ? Regardless of what age you start university, when you finish, you should look back and share that similar feeling. University is about learning to explore, discovering who you are and who you want to be, and creating the foundation for a lifetime of successes. University is the place where I learnt to make the most of opportunities and became who I wanted to be. It made me aware that just attending university isn't a silver bullet to success, not unless you take control. The university experience will provide endless possibilities and opportunities, but it's up to you to take the first step. You will face a roller coaster of emotions. You'll feel excited...
