Regent Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Lieh Tzu, here titled as Hsing Shih Sheng/The Nature of Real Living, is a principal text of the ancient Spiritual tradition of Chinese Taoism. The commentaries are not only relevant and useful for professionals but also for anyone who is interested in the benefits of finding some encouragement, support and guidance throughout their unique wayfaring journey from being mostly ego-identified to realistically living a more awakened, conscious, reasonable, sufficient, gratifying and meaningful Spiritual and Soulful human life.
