Anness Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. This book is a concise and comprehensive introduction to the world of sea angling. It covers the two main aspects of the sport: fishing from shore and boat fishing. A visual gallery provides information about the major species that the salt-water angler is likely to encounter, from the common cod and bass to the more challenging blue shark and thornback ray. Helpful advice is given on recognition, size potential and feeding habits, as well as top tips for catching fish. Separate sections deal with the use of natural and artificial baits, and the different types available. The book is an essential guide for both the beginner and the more experienced salt-water angler.
