

## Art Anatomy Simplified (Paperback)

By Charles Carlson

Dover Publications Inc., United States, 2006. Paperback.

Condition: New. Language: English . Brand New Book. This is the most entertaining and easy-to-use anatomy text you'll ever see. The author -- a practiced artist, teacher, and cartoonist -- delivers the keys to figure construction in a direct, easy-to-follow, and highly visual manner. Students of fine arts and commercial illustration alike will find this manual a practical foundation upon which to build their knowledge of anatomy--the background essential to anyone wishing to draw easily and with confidence. This concise guide covers all of the most important functions and actions. Stressing the concept that figure drawing begins with a thorough understanding of muscles and skeletal framework, the author employs the methods first mastered by Leonardo da Vinci, Michelangelo, and Durer. More than 350 drawings illustrate these lessons, which advance from simple anatomy studies to more complex tutorials on action sketches, perspective drawings, the use of charcoal, and other techniques and approaches.

### Reviews

*An exceptional publication as well as the font employed was exciting to see. It was actually written extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Dominic Collins

*This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better than never. I realized this publication from my dad and I advised this publication to learn.*
