What happens when a storybook character encounters the illustrator who drew him--and talks back? In this imaginative series, four animals engage with the illustrator's hand in amusing--and sometimes infuriating!--ways. These interactive stories, featuring bold graphics that will appeal to artists and art teachers, are excellent read-aloud books for young children. Wally the Wolf is on the prowl for food when he stumbles upon his book's illustrator, who is sharpening a pencil. When Wally discovers he can't eat the drawing implements, he grows increasingly cross with the artist, who tries to please him with a number of edible proposals. His final offering--a delectable treat that pleases the wolf--may remind readers of another fairy tale.
