

The Continental Op: Short Story Collection (Paperback)

By Dashiell Hammett

Orion Publishing Co, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. An acknowledged literary landmark Robert GravesDashiell Hammett is the true inventor of modern detective fiction and the creator of the private eye, the isolated hero in a world where treachery is the norm. The Continental Op was his great first contribution to the genre and these seven stories, which first appeared in the magazine Black Mask, are the best examples of Hammett's early writing, in which his formidable literary and moral imagination is already operating at full strength. The Continental Op is the dispassionate fat man working for the Continental Detective Agency, modelled on the Pinkerton Agency, whose only interest is in doing his job in a world of violence, passion, desperate action and great excitement.
