

## Into the Light: Real Life Stories About Angelic Visits, Visions of the Afterlife, and Other Pre-Death Experiences (Paperback)

Filesize: 7.11 MB

### ***Reviews***

*A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.*

*(Dr. Grady Jacobi DDS)*

## **INTO THE LIGHT: REAL LIFE STORIES ABOUT ANGELIC VISITS, VISIONS OF THE AFTERLIFE, AND OTHER PRE-DEATH EXPERIENCES (PAPERBACK)**

ReadHowYouWant.com Ltd, Canada, 2012. Paperback. Condition: New. [Large Print]. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Despite our advancements in science and medicine, death remains one of civilization s most glorious mysteries. Doctors have written books on near-death experiences, but research and data for pre-death experiences is scarce. Because of this lack of information, Dr. John Lerma has devoted his career to compiling anecdotal and scientific research on pre-death hallucinations from the countless terminally ill patients he lovingly cares for as a doctor and director at the Medical Center of Houston. Here, in this groundbreaking book, Dr. Lerma shares his valuable research and guidance in 16 inspirational stories of children and adults confronting their deaths through the comforting visions of divine beings. By presenting the mysterious visions, synchronicities, and angelic conversations terminally ill patients encounter, Dr. Lerma shows how knowledge of death can ease the pain and fear as we prepare to enter into the light. The poignant stories in Into the Light will leave you feeling uplifted in faith, hope, and love. John Lerma, M.D., currently serves as a consultant for several hospices and palliative units in Houston and San Antonio, Texas. He is widely known for his compassionate and loving care of hundreds of terminally ill patients, as well as his tenure as the inpatient medical director for the internationally renowned Medical Center Hospice of Houston, Texas. Because the inpatient unit is located in the heart of the largest medical center in the world, he has worked closely with MD Anderson Hospital, the leading cancer institute in the world in research and teaching. After obtaining a degree in pharmacy at the University of Texas at Austin, he entered medical school at the University of Texas San Antonio and, years later, finished his training in internal...
