A Minimalist's Approach to MCAT: Excel in Medical College Admission Test and Beyond (Paperback)

By Amanda Wu S Liu

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I have been tutoring MCAT for over a decade and enjoyed sharing successes with many students. This book is distilled from my professional and personal experiences with standardized testing along the journey to become a doctor myself and helping others realize their dream of becoming healthcare providers-from SAT, AP, IB exams, to MCAT, PCAT, DAT, to USMLE and COMLEX (the last 2 are medical licensing board exams for M.D. and D.O.) This book targets the MCAT. The fundamental principles on testing strategies and effective learning can help you succeed throughout medical school and beyond. While all my students find these strategies amazingly helpful and enjoy reproducible successes, the majority of them have also expressed that they could not have come up with these strategies on their own. This is completely understandable. The average MCAT takers have spent 3 months-2 years preparing for the MCAT. On the other hand, I have been analyzing and teaching MCAT for over 12 years. This is why I can offer strategies and approaches that are not apparent to many current MCAT takers:) This book is short and...
