## **MAXIMUM EMBODIMENT: YOGA, THE WESTERN PAINTING OF JAPAN, 1912-1955 (HARDBACK)**

**DOWNLOAD**

University of Hawai'i Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. Maximum Embodiment presents a compelling thesis articulating the historical character of Yoga, literally the Western painting of Japan. The term designates what was arguably the most important movement in modern Japanese art from the late nineteenth to the mid-twentieth centuries. Perhaps the most critical marker of Yoga was its association with the medium of oil-on-canvas, which differed greatly from the water-based pigments and inks of earlier Japanese painting. Yoga encompassed both establishment fine art and avant-gardist insurgencies, but in both cases, as the term suggests, it was typically focused on techniques, motifs, canons, or iconographies that were obtained in Europe and deployed by Japanese artists. Despite recent advances in Yoga studies, important questions remain unanswered: What specific visuality did the protagonists of Yoga seek from Europe and contribute to modern Japanese society? What qualities of representation were so dearly coveted as to stimulate dedication to the pursuit of Yoga? What distinguished Yoga in Japanese visual culture? This study answers these questions by defining a paradigm of embodied representation unique to Yoga painting that may be conceptualized in four registers: first, the distinctive materiality of oil paint pigments on the picture surface; second, the depiction of palpable human bodies; third, the identification of the act and product of painting with a somatic expression of the artist's physical being; and finally, rhetorical metaphors of political and social incorporation. The so-called Western painters of Japan were driven to strengthen subjectivity by maximizing a Japanese sense of embodiment through the technical, aesthetic, and political means suggested by these interactive registers of embodiment. Balancing critique and sympathy for the twelve Yoga painters who are its principal protagonists, Maximum Embodiment investigates the quest for embodiment in some of...
