Children are always encouraged to color in order to help them accomplish social and academic milestones. Coloring trains them to think creatively. It also helps in increasing your child s vocabulary and knowledge of colors, shapes, lines and forms. More importantly, coloring helps shape your child s life skills like patience, confidence, focus and determination. Invest in a coloring book today! But what we really want to say is your child may enjoy a weird story too. Stupid Humor at its worst or best, depending on if you have a sense of humor or not. Please do not buy unless you have a wacky, stupid sense of humor and/or like to color goofy pictures as this book serves as a dual release from everyday reality. Please don t buy it if you are a one star troll looking to leave crappy reviews. A car...
